REMARKS

In reply to Applicants' Response to Office Action that was mailed on August 26, 2004, the U.S. Patent and Trademark Office mailed a Notice of Allowance on December 8, 2004, stating that amended claim 1 and new claims 2-76 are allowed.

Applicants thank the Examiner for his indication of allowance. Now, pursuant to 37 C.F.R. § 1.312, Applicants amend the title and claims 1, 9-10, 12, 18, 20-23, 28, 30, 48-50 and 53-55 and add new claims 77-97 in order to more particularly define and distinctly claim the subject matter of the invention. Applicants believe that these claims are also patentable and urge the Examiner to carefully review these claims and pass them to allowance and confirm the same.

Additionally, Applicants point out that the word "BROADCAST" is spelled incorrectly twice as "BROADCAST" in the title of the application, as set forth on the Notice of Allowance. In view of the fact that this title was correctly spelled in the amendment portion of Applicants' Response to Office Action that was mailed on August 26, 2004, Applicants submit that this correction can be made by Examiner's Amendment.

Should the Examiner be unable to accept the amendments submitted herein, the Examiner is specifically requested to contact the undersigned to resolve any outstanding issues.

A favorable action on the merits is earnestly solicited.

Respectfully Submitted,
